

How to request access to device folders

Most facilities control the access to their device folders. If you need access for a specific account to a device folder, contact the facility that operates the device and provide the following information:

- User name
- ZEDAT account
- Research lab
- Device folder

The following facilities control the access to the device folders:

- Electron Microscopy Facility, contact: Kai Ludwig (kai.ludwig@fzem.fu-berlin.de)
- Optical Microscopy Facility, contact: Katharina Achazi (kachazi@zedat.fu-berlin.de)
- Microfluidics Facility, contact: Katharina Achazi (kachazi@zedat.fu-berlin.de)
- PharmaMS Facility, contact: Jan Joseph (joseph@zedat.fu-berlin.de) Surface Analytics Facility, contact: Philip Nickl (p.nickl@fu-berlin.de)
